

# Technical Rider & Stage Set-up for: *Road to the Isles*

Any questions, please call George Balderose at (412) 323-2707  
fax (412) 323-1817, email tradfolk@music-tree.com

## Key

- - Instrumental Microphone on boom stand
- - Vocal Mike on boom stand

□ - Armless Chair

○ - Monitor

□ - Small table

**Required Items:** The P.A. should be a professional quality system, run by a qualified professional soundperson, with a speaker-set-up that will more than adequately fill the performance space. The mixing board should be run from the house, not from a place on stage. Additionally, *Road to the Isles* will need the following items.

- 6 channel mixing board, with EQ, reverb
- 3 Quality monitors
- 4 instrumental microphones
- 1 vocal microphone
- 5 boom stands
- CD player for pre-show music
- Adequately illuminated Stage plus Spot-light if possible
- Dance floor, at least 12' x 16'
- Dressing room nearby for costume changes.
- 1 small table with 3 bottled waters
- PLEASE KEEP HALL COOL ON DAY OF SHOW (IE. 65 DEGREES FARENHEIT OR LESS)
